SECTION V: Admission Policy

Please be aware that any change to the terms of an open-enrollment charter that relates to the following subjects:

- grade levels,
- maximum enrollment,
- geographic boundaries,
- approved campus(es),
- approved sites,
- postponement of opening campus,

- charter school (district) name,
- charter campus name,
- charter holder governance,
- articles of incorporation,
- corporate bylaws,
- management company,
- admission policy, or
- the educational program of the school

requires the commissioner of education's approval of an [amendment](#). (See §100.1033(b) Types of amendments, 19 TAC Chapter 100.)

A. Specify the period during which applications for admission are accepted. *TEC, §12.117, requires that a charter school establish a reasonable application deadline for the submission of applications for admission.*

Beginning of Period (Month/Day)

January 09

End of Period (Month/Day)

March 31

B. If the school admits students by lottery when the number of admissions applications received exceeds the number of available spaces, describe the procedures followed in conducting the lottery. Lottery not utilized

See attached Exhibit V(B).

C. If the school utilizes a lottery when oversubscribed, are any categories of applicants exempted from the lottery?

- Yes
 No
 Not applicable (because lotteries are not utilized)

If "Yes" was indicated in C above, state the categories of applicants that are exempted.

See attached Exhibit V(C).

Exhibit V(B) to the ILTexas Charter Renewal Petition for filing January 24, 2018

"B. If the school admits students by lottery when the number of admissions applications received exceeds the number of available spaces, describe the procedures followed in conducting the lottery."

An admissions lottery will be conducted if the total number of applicants exceeds the number of open enrollment seats. Each applicant will be assigned a number, and all numbers will be randomly drawn during a scheduled lottery. Each applicant whose number is drawn will be offered admission, with notice provided by email and telephone. Failure of an applicant to respond to an admission's offer within the time specified by ILTexas will result in the forfeiture of his or her position in the application process. Once all enrollment spots have been filled by the lottery, the remaining numbers will be drawn and the applicants assigned to these numbers will be placed on a waiting list in the order in which they were drawn. When a vacancy arises, the individual next on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list. If an application is received after the application period has passed, the applicant's name will be added to the waiting list in the order of the date and time in which the application is received. The order for everyone that applies after the lottery process will be determined by the date/time they apply. As places become available, a student will be contacted by e-mail and phone to finalize enrollment.

After the Lottery Process the order of the waiting list is subject to change for the following reasons:

If an employee is hired after the lottery, their children would follow children of employee's already hired on waiting list.

If after the lottery process a student is accepted and they have a sibling. Then the sibling would move up on waiting list.

Exhibit V(C) to the ILTexas Charter Renewal Petition for filing January 24, 2018

"C. If "Yes" was indicated in C above, state the categories of applicants that are exempted."

Exemptions to the lottery include students who are already attending the school; siblings of students already admitted to or attending ILTexas; and children of ILTexas' founders, teachers and staff, so long as the number of these students constitutes only a small percentage of the school's enrollment. Students already attending ILTexas will be exempt from the lottery as long as an intent to return form is completed during the enrollment period prior to the intent to return deadline. For the purpose of the sibling exemption, siblings are defined as a person who shares a common parent through birth, marriage, or adoption.

SECTION V: Admission Policy (Continued)

D. If the school utilizes a lottery when oversubscribed, specify the approximate date on which a lottery will be conducted.

Approximate Date of Lottery (Month/Day)

Apr 5

E. If the school does not utilize a lottery when oversubscribed, but rather fills the available positions in the order in which applications were received before the expiration of the application deadline (i.e., a "first-come, first-served" admission process), describe the manner in which the school notifies the community of the opportunity to apply for admission. *TEC, §12.117, requires a charter school that uses a first-come, first-served admission process when oversubscribed to publish a notice in a newspaper of general circulation not later than the seventh day before the application deadline.*

[This item is left blank because it is not applicable]

F. If the school has a separate process for re-enrollment, state the process and the timeline to be used.

See attached Exhibit V(F).

G. State the procedures for processing applications received once the application deadline has passed.

Applications received after the application deadline will be handled in a "first come, first served" basis. The applicant's name will be added to the waiting list in the order of the date and time in which the application is received.

H. Describe the information that an applicant must provide in order to be considered for admission. *Applicants may not be required to provide copies of transcripts or other academic records until after they are offered admission and are enrolling. Furthermore, a student may not be precluded from enrolling due to the charter school's failure to receive information required for enrollment from the student's parent or guardian or previous school. See TEC, §25.002.*

In order to be considered for admissions and participate in the lottery process applicants must provide basic identifying information such as name, address, birth date and grade level.

Exhibit V(F) to the ILTexas Charter Renewal Petition for filing January 24, 2018

"F. If the school has a separate process for re-enrollment, state the process and the timeline to be used."

Re-enrollment After Voluntary Withdrawal

A student who withdraws for any reason during the school year may re-enroll only if there are open seats available. If no seats are available, the student will be placed in the lottery process and/or added to the waiting list.

Re-enrollment After Involuntary Withdrawal

A student who has withdrawn pending a recommended expulsion or who has been expelled from ILTexas may re-apply for admission and potentially gain re-enrollment subject to meeting each of the following criteria:

1. The student must have been enrolled in another public school during the term of the expulsion from ILTexas.
2. The student must re-apply for admission to ILTexas and follow the same application process as all other applicants.
3. A vacancy must exist in the requested grade level and campus or, if the requested grade level is oversubscribed such that an admissions lottery is conducted, the student is selected for admission through the lottery process or otherwise on the waitlist.
4. The student must submit a petition for re-admission to the ILTexas Board of Directors. This request must be in writing, and must include copies of the student's complete discipline records from the public school(s) attended during the term of the expulsion from ILTexas.

Upon receipt of the student's petition and the required discipline records, ILTexas will notify the student and the student's parents of the date, time, and location of a Board meeting during which the Board of Directors will consider the petition for re-admission.

During the Board's consideration of the petition, the student and his or her parents may make a statement to support the request for re-admission. The student may also submit documentation consisting of recommendations from his or her current teacher(s), commentary from any counselor or school administrator with whom the student may have consulted having personal knowledge of the student and their education experience and conduct, and any other documentation pertinent to the application. The Board may also consider comments from the Principal, Counselor, Grade Level Administrator for the requested campus of enrollment, or any other ILTexas Administrator.

Upon conclusion of the presentation and after review of all relevant documentation, the Board of Directors will decide on whether the student will be re-admitted at the Board's sole discretion. If the student is readmitted, he or she will be admitted on a 120-day behavior contract recognizing that any violation of the Student Code of Conduct within that time period may result in expulsion without the possibility of readmission. The Board's decision may be appealed through the ILTexas student and parent complaint process, beginning at Level Four, but all decisions of the Board are final and non-appealable.

SECTION V: Admission Policy (Continued)

I. The charter holder certifies that the non-discrimination statement required by *TEC, §12.111 (a)(5)* is printed in the school's admission policy. *TEC, §12.111 (a)(5)* requires that a charter school's admission policy include a statement that the school will not discriminate in admissions based on gender, national origin, ethnicity, religion, disability, academic, artistic, or athletic ability, or the district the child would otherwise attend.

Yes

No

J. Does the admission policy either require or permit the school to exclude from admission all students with documented histories of a criminal offense, a juvenile court adjudication, or discipline problems under TEC Chapter 37, Subchapter A as authorized by *TEC, § 12.111 (a)(5)(B)*?

Yes (The school excludes such students or reserves the right to exclude such students from admissions.)

No (The school does not deny admission to such students based on their documented histories of misconduct.)

Submit

- A current copy of the admission policy that incorporates the information provided in the above answers to questions A through H and any other relevant information (**Attachment 3**);
- A blank copy of the current admission application, i.e., the information requested when the student first seeks admission (**Attachment 4**);
- A blank copy of the current enrollment form(s), i.e., the information required once an applicant has been offered admission and is registering for enrollment (**Attachment 5**); and
- A current copy of the discipline policy (**Attachment 6**)

SCHOOL ADMISSION

ILTexas is an open-enrollment charter school, which is a public school of choice. Admission and enrollment of students shall be open to persons who reside within the geographic boundaries stated in the school's charter, and who are eligible for admission based on lawful criteria identified in the charter and state law.

The total number of students enrolled in ILTexas shall not exceed the number of students approved in the school's charter or subsequent amendments. Total enrollment may further be limited by ILTexas based on occupancy limitations, code compliance, and staffing requirements, as deemed necessary.

In accordance with state law, ILTexas does not discriminate in its admissions policy on the basis of sex; national origin; ethnicity; religion; disability; academic, artistic, or athletic ability; or the district a student would otherwise attend.

Enrollment may not be denied to children who are not legally admitted into the United States.

Exception to Admission

As authorized by the ILTexas charter and Texas Education Code § 12.111(a)(5)(A), students with a documented history of a criminal offense, a juvenile court adjudication, or other school discipline problems under Texas Education Code Chapter 37, Subchapter A, may be excluded from admission and enrollment in ILTexas.

SUBMISSION OF APPLICATIONS AND ADMISSIONS LOTTERY

ILTexas requires applicants to submit a completed application form in order to be considered for admission. ILTexas has established an application period during which applications are accepted for admissions (or to a lottery if the number of applications exceeds the number of seats available for a grade level). Any person who lives within the geographic boundaries of the charter and who satisfies all other criteria for admission set by the ILTexas policy and state law is eligible to apply. Parents must submit an online application form (a paper application will be provided upon request) and submit it prior to the application deadline in order to participate in the lottery. An admissions lottery will be conducted if the total number of applicants exceeds the number of open enrollment spots. Each applicant will be assigned a number, and all numbers will be randomly drawn during a scheduled lottery. Each applicant whose number is drawn will be offered admission, with notice provided by email and telephone. Failure of an applicant to respond to an admission's offer within the time specified by ILTexas will result in the forfeiture of his or her position in the application process.

Once all enrollment spots have been filled by the lottery, the remaining numbers will be drawn and the applicants assigned to these numbers will be placed on a waiting list in the order in which they were drawn. When a vacancy arises, the individual next on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list.

If an application is received after the application period has passed, the applicant's name will be added to the waiting list in the order of the date and time in which the application is received.

Exceptions

Federal guidelines permit ILTexas to exempt from the lottery students who are already attending the school; siblings of students already admitted to or attending ILTexas; and children of ILTexas' founders, teachers and staff, so long as the number of these students constitutes only a small percentage of the school's enrollment.

Students already attending ILTexas will be exempt from the lottery as long as an intent to return form is completed during the enrollment period prior to the intent to return deadline. For the purpose of the sibling exemption, siblings are defined as a person who shares a common parent through birth, marriage, or adoption.

MCKINNEY VENTO HOMELESS EDUCATION ASSISTANCE ACT OF 2001

Homeless children and youth are ensured specific educational rights and protections. A listing of these specific rights may be obtained from ILTexas by contacting Myrna Apodaca, Director of PEIMS, 1820 N. Glenville Dr., Suite 100, Richardson, TX 72081. 972-479-9078, Ext. 1046.

“Homeless children and youth” as defined and covered by the McKinney-Vento Homeless Education Assistance Act of 2001:

- Means individuals who lack a fixed, regular, and adequate nighttime residence.
- Includes children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations.
- Are living in emergency or transitional shelters.
- Are abandoned in hospitals, or are awaiting foster care placement.
- Children and youth who have a primary nighttime residence that is a public or private place not designed as a regular sleeping accommodation for human beings.
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations.

Parents of students in homeless situations can keep their students in their schools of origin (the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled even if the student is now residing outside the school attendance area or school district) or enroll them in any public school that students living in the same attendance area are eligible to attend.

PREGNANCY RELATED SERVICES

Pregnancy Related Services are support services, including Compensatory Education Home Instruction (CEHI), that a pregnant student receives during the pregnancy, prenatal and postpartum periods. Any pregnant and/or parenting student that is enrolled in ILTexas is eligible for PRS services. We support a comprehensive approach to supporting students by offering a coordination of services and monitoring grades and attendance regularly to ensure academic success.

When a student is first reported to be, or is first known to be pregnant by a teacher, counselor, or any school official, a referral is to be made immediately to the student's school nurse. The Nurse/Counselor visits with the student concerning her pregnancy and determines if it has been verified by a doctor or other qualified medical professional. The Nurse/Counselor then initiates PRS services by completing a PRS intake form. That form is submitted to PEIMS and Student Services officials, as well as the student's campus At-Risk Coordinator. PRS services to the student generally begin as of the date the PRS form is completed.

When ILTexas agrees to provide PRS services, it must provide CEHI. CEHI is home instruction in which school assignments for the student are collected from the student's regular classroom teachers and are taken to the student at home by a certified teacher. That teacher works with the student at home for at least four hours a week, and then returns the student's work to her regular teacher for grading. Prenatal CEHI services are provided when the student's doctor determines she cannot continue to come to school due to a serious medical complication to the pregnancy. Prenatal CEHI services continue until the doctor determines she can return to school or until the pregnancy ends. Postnatal CEHI services begin the day after delivery and can continue for a maximum of 10 weeks post-delivery if there are serious medical complications relative to the delivery that involves the student or her infant. Postnatal CEHI is generally provided for a period of two to three weeks if the student has a normal delivery, and up to six weeks if the delivery is by C-section. A student with no post-delivery complications returns to her campus within approximately two weeks. PRS

services end when postnatal CEHI ends, when the pregnancy ends due to circumstances other than delivery or when the student ends their enrollment in ILTexas during her pregnancy. Additional information regarding ILTexas' Pregnancy Related Services may be obtained from Angela Marcellus, Director of Student Services, at 972-479-9078.

INTRA-DISTRICT TRANSFER POLICY

ILTexas allows Intra-District transfers among our schools under the same charter for currently enrolled students. The intent of an Intra-District transfer is to accommodate families who have moved and have a documented change of residency or have a change in job site location.

The student's parent must complete a student transfer request form. Decisions on transfers for the upcoming school year will be made by the office of the Registrar. If there are more requests than available spaces in a respective grade, we will proceed with the most recent approved application to determine which transfers will be approved, and the remainder will be placed on the waitlist. If you have questions about the transfer process, please contact the DFW Registrar's office at 972-479-9078 or Houston Area Registrar's office at 713-955-7844.

STUDENT INFORMATION

Any student admitted to ILTexas must have records such as report card and/or transcript from the previous school attended to verify his or her academic standing. Verification of residency and current immunization records are also required. Every student enrolling in ILTexas for the first time must present documentation of immunizations as required by the Texas Department of State Health Services.

No later than 30 days after enrolling in ILTexas, the parent and school district in which the student was previously enrolled shall furnish records that verify the identity of the student. These records may include the student's birth certificate or a copy of the student's school records from the most recently attended school. Students will not be denied enrollment because they fail to meet this requirement.

ILTexas will forward a student's records on request to at school in which a student seeks or intends to enroll without the necessity of the parents' consent.

Establishing Identification

Any of the following documents are acceptable for proof of identification and age: birth certificate; driver's license; passport; school ID card; records, or report card; military ID; hospital birth records; adoption records; church baptismal record; or any other legal document that establishes identity.

Food Allergy Information

The parent of each student enrolled in ILTexas must complete a form provided by the school that discloses (1) whether the child has a food allergy or a severe food allergy that should be disclosed to the school to enable ILTexas to take any necessary precautions regarding the child's safety and (2) specifies the food(s) to which the child is allergic and the nature of the allergic reaction.

For purposes of this requirement, the term "severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

ILTexas may also require information from a child's physician if the child has food allergies.

Food allergy information forms will be maintained in a student's records, and shall remain confidential. Information provided on food allergy information forms may be disclosed to teachers, school counselors,

school nurses, and other appropriate school personnel only to the extent consistent with Board policy and as permissible under the Family Educational Rights and Privacy Act of 1974 (“FERPA”).

Residency Verification

The Texas Education Code authorizes schools to obtain evidence that a person is eligible to attend public schools. To be eligible for continued enrollment in ILTexas, each student’s parent must show proof of residency at the time of enrollment. Residency may be verified through observation, documentation, and other means, including, but not limited to:

1. A recently paid rent receipt,
2. A current lease agreement,
3. The most recent tax receipt indicating home ownership,
4. A current utility bill indicating the address and name of the residence occupiers,
5. A current car insurance copy indicating the address and name of the residence occupiers,
6. Mailing addresses of the residence occupiers,
7. Visual inspection of the residence
8. Interviews with persons with relevant information, or
9. Building permits issued to a parent on or before September 1st of the school year in which admission is sought (permits will serve as evidence of residency for the school year in which admission is sought only).

Falsification of residence on an enrollment form is a criminal offense.

WITHDRAWAL PROCEDURE

Voluntary Withdrawal

A student under 18 years of age may be withdrawn from school only by a parent. Parents of students withdrawing from ILTexas are requested to meet with the Campus Principal or Designee before proceeding with the withdrawal process. A Withdrawal Form and a Transcript Request Form may be obtained from the office of the registrar. The parent shall also provide the name of the new school in which the student will be enrolled, and must sign the withdrawal request to document that the student will continue to be enrolled in a school as required by compulsory attendance laws. Transcripts or student records will be provided within ten (10) business days of the following:

- Counselor’s receipt of the Transcript Request Form / Student records
- Payment of any unpaid fees: and
- Returning school property, including but not limited to campus technology, books and uniforms associated with band, athletics, etc.

A student who is 18 years of age or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature.

Involuntary Withdrawal

ILTexas may initiate the withdrawal of a student under the age of 19 for non-attendance if:

1. The student has been absent ten consecutive school days; and
2. Repeated efforts by ILTexas to locate the student have been unsuccessful.

Additionally, ILTexas may revoke the enrollment of a student 19 years of age or older who has more than five unexcused absences in one semester.

A student who withdraws for any reason during the school year may re-enroll only if there are open seats available. If no seats are available, the student will be placed in the lottery process and/or added to the waiting list. See also the Student Code of Conduct for additional requirements if a student withdraws prior to a pending disciplinary action.

Additional Information on Admission Process may be obtained from the campus Principal's Office. Information will also be posted on the School and ILTexas website.

ATTENDANCE

STUDENT ATTENDANCE/ABSENCES

Student absences may result in serious disruption of a student's mastery of instructional materials and therefore, the student should avoid unnecessary absences. If the parent/guardian or student has questions about attendance they should contact the school attendance office for information. Students are expected to be in school except in cases of emergency, illness, or school-approved absences.

Students should make every effort to be present daily. If an absence is unavoidable, a parent/guardian should call or email the campus main office before 9:25 a.m. for students in grades K-8 or before 9:30 for students in grades 9-12 on the date of the absence with the reason for the student's absence. All absences will be verified by the school attendance office starting at 8:30 and if the school has not been notified by 9:25 a.m. (K-8) or 9:30 a.m. (9-12), the student absence will be recorded as "unexcused." It is important that the parent calls in and that the parent speaks directly to the person in charge of attendance. A message may be left on the school's voice mail service; however, it is the parent's responsibility to make sure the message was received. When a parent /guardian knows in advance about a future absence, prior written permission for the absence to be considered excused should be received in advance. When the student returns to school, he/she should provide the office with a note signed by a parent/guardian explaining the reason for the absence. Since absences may determine grading and course credit, all documentation regarding absences will be retained in the student's cumulative file for a period of 5 years.

COMPULSORY ATTENDANCE

The state compulsory attendance law requires that a student between the ages of six and 19 must attend school and school-required tutorial sessions unless the student is otherwise legally exempted or excused. ILTexas staff must investigate and report violations of the state compulsory attendance law. A student absent from school without permission from any class, from required special programs, or from required tutorials will be considered "truant" and subject to disciplinary action.

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day. If a student 19 years of age or older has more than five unexcused absences in a semester, ILTexas may revoke the student's enrollment, except that the school may not revoke the enrollment on a day on which the student is physically present at school. The student's presence on school property thereafter would be unauthorized and may be considered trespassing. Prior to revoking the student's enrollment, ILTexas shall issue a warning letter to the student after the third unexcused absence stating that the student's enrollment may be revoked for the remainder of the school year if the student has more than five unexcused absences in a semester. As an alternative to revoking enrollment, ILTexas may impose a behavior improvement plan.

Notice to Parents: *Under Texas Education Code § 25.095(a), you are hereby notified that if a student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Texas*

SECTION V, Attachment 3

ILTexas Charter Renewal Petition due January 24, 2018

2. Handbook Page 54, READMISSION AFTER WITHDRAWAL OR EXPULSION

in a format accessible and useable by the General Counsel. The Board may listen to the recording of the expulsion hearing to or at the appeal hearing. The Board will notify the student and his or her parent (or representative) of its decision within five calendar days of the hearing. The decision of the Board is final and may not be appealed.

Discipline consequences will not be deferred pending the outcome of an appeal of an expulsion to the Board.

READMISSION AFTER WITHDRAWAL OR EXPULSION

A student who has withdrawn pending a recommended expulsion or who has been expelled from ILTexas may re-apply for admission and potentially gain re-enrollment subject to meeting each of the following criteria:

1. The student must have been enrolled in another public school during the term of the expulsion from ILTexas.
2. The student must re-apply for admission to ILTexas and follow the same application process as all other applicants.
3. A vacancy must exist in the requested grade level and campus or, if the requested grade level is oversubscribed such that an admissions lottery is conducted, the student is selected for admission through the lottery process or otherwise on the waitlist.
4. The student must submit a petition for re-admission to the ILTexas Board of Directors. This request must be in writing, and must include copies of the student's complete discipline records from the public school(s) attended during the term of the expulsion from ILTexas.

Upon receipt of the student's petition and the required discipline records, ILTexas will notify the student and the student's parents of the date, time, and location of a Board meeting during which the Board of Directors will consider the petition for re-admission.

During the Board's consideration of the petition, the student and his or her parents may make a statement to support the request for re-admission. The student may also submit documentation consisting of recommendations from his or her current teacher(s), commentary from any counselor or school administrator with whom the student may have consulted having personal knowledge of the student and their education experience and conduct, and any other documentation pertinent to the application. The Board may also consider comments from the Principal, Counselor, Grade Level Administrator for the requested campus of enrollment, or any other ILTexas Administrator.

Upon conclusion of the presentation and after review of all relevant documentation, the Board of Directors will decide on whether the student will be re-admitted at the Board's sole discretion. If the student is re-admitted, he or she will be admitted on a 120-day behavior contract recognizing that any violation of the Student Code of Conduct within that time period may result in expulsion without the possibility of readmission. The Board's decision may be appealed through the ILTexas student and parent complaint process, beginning at Level Four, but all decisions of the Board are final and non-appealable.

STUDENTS WITH DISABILITIES

All disciplinary actions regarding students with disabilities (504 or special education under the IDEA) shall be conducted in accordance with current federal and state laws.

Suspension/Expulsion Requirement

A student with a disability shall not be excluded from his or her current placement pending appeal to the Board of Directors for more than ten days without ARD Committee action to determine appropriate services

Administration of Medications by School Personnel

Dear Parents,

Your child may have an illness which requires medication for relief or cure that does not prevent his/her attending school. When possible, such medication should be scheduled to be taken at home. However, according to the Texas laws and IL Texas policy, a medication may be administered to a student by school personnel. The following requirements must be met by the parent or legal guardian requesting this service.

1. Prescription medications dispensed through a physician's office must be in their original pharmacy container and labeled by the pharmacist or physician.
2. All nonprescription drugs must be in their original container. The written request for administration of these over the counter drugs, made by parent, guardian or physician, must contain the following information:
 - a. Full name of student
 - b. Name of drug
 - c. Amount of drug to be given and scheduled hours when drug is to be given
 - d. Reason drug should be administered
 - e. Date
 - f. Appropriate signature.
3. Medications prescribed or requested to be given three (3) times a day or less are not to be given at school unless a specific time during school hours is prescribed by a physician or the campus nurse determines that a special need exists for an individual student.
4. There will be no more than one medication per properly labeled container.
5. All medications will be stored and dispensed in the school clinic. Exceptions must be approved by appropriate school authorities in advance.
6. Natural and/or homeopathic-like products not FDA approved will not be dispensed by school district personnel.
7. In accordance with the Texas Nurse Practice Act, Rule 217.11, the campus Nurse has the responsibility and authority to clarify any medication order with appropriate licensed practitioner and/or refuse to administer medication that, in the Nurse's judgment, is not in the best interest of the student.

Food Allergy Notification Form

Dear Parents,

ILTexas is required by law to request, at the time of enrollment, that the parent or guardian of each student attending an ILTexas campus disclose the student's food allergies. This form will satisfy this requirement.

This form allows you to disclose whether your child has a food allergy or severe food allergy that you believe should be disclosed in order for ILTexas to take necessary precautions for your child's safety.

"Severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

Please list any foods to which your child is allergic or severely allergic, as well as the nature of your child's allergic reaction to the food. ILTexas will contact you for a note from your physician if your child has food allergies. Your child must have an EpiPen prescribed to help in the event of an emergency.

ILTexas has one of the most effective research based models in the nation, two-way 50/50 dual language immersion (DLI). Please view our Dual Language Immersion (DLI) brochure on our website. This is our instructional model for both our ELL (English Language Learner) students and non-ELL students. Please note that identification as ELL *does not pose any changes to their current academic schedule*. Every ILTexas student is a language learner (English, Chinese, and Spanish). In addition to tracking the progress of your student's Chinese and Spanish language proficiency using the American Council of Teaching Foreign Language (ACTFL) guidelines, we will track the progress of identified ELL English proficiency using the Texas English Language Proficiency Assessment System (TELPAS) in listening, speaking, reading, and writing. The district and campus Language Proficiency Assessment Committee (LPAC) will monitor and track the progress of your student's English language development in conjunction with their academic progress and notify you of this progress at least once yearly. Your e-signature below indicates your acknowledgement of this notification letter and approval of the DLI program as a program of service. Please note that any student identified by your campus LPAC as an ELL, will receive a separate Parent Notification letter.

Grades 6-12

To address the needs of our students, especially our English Language Learners (ELL), at the middle school, ILTexas offers **Content Based English as a Second Language (ESL)**. If your student is an ELL, they will be enrolled in Content Based ESL as part of their regular academic schedule. This is the instructional model for both our ELL students and non-ELL students. Please note that identification as ELL, *does not pose any changes to their current academic schedule*. Every ILTexas student is a language learner (English, Chinese, and Spanish). As such, it is the goal of ILTexas to have 100% of our faculty ESL certified so that they are knowledgeable of language differences, second language acquisition, and best teaching strategies to help make all content comprehensible, even when students don't have full mastery of the English language. Additionally, all of our teachers will be SIOP (Sheltered Instruction Observation Protocol) trained, giving them an additional research based tool to address the linguistic diversity in their classroom. In addition to tracking the progress of your student's Chinese and Spanish language proficiency using the American Council of Teaching Foreign Language (ACTFL) guidelines, we will track the progress of identified ELL student's English proficiency using the Texas English Language Proficiency Assessment System (TELPAS) in listening, speaking, reading, and writing. The district and campus Language Proficiency Assessment Committee (LPAC) will continue to monitor and track the progress of your student's English language development in conjunction with their academic progress (given strong content based ESL support) and notify you of this progress at least once yearly. Your e-signature below indicates your acknowledgement of this notification letter and approval of the Content Based ESL program.

ILTexas practica el modelo de doble sender, o 50/50 de inmersión de dos idiomas, o Dual Language Immerssion program (DLI-siglas en Inglés), uno de los más modelos bilingües más efectivos en la nación. Le sugerimos que visite nuestra página del internet y lea nuestro folleto. Dicho programa es nuestro modelo de instrucción para nuestros estudiantes identificados como English Learner (EL) o los cuáles aprenden Inglés como segundo idioma y también para aquellos que no lo son. *Tenga en cuenta que el que su estudiante sea o no identificado como EL, el horario académico no es afectado en lo absoluto.* Todos los estudiantes en la escuela ILTexas son aprendizes de idiomas (ya sea Inglés, Español o Chino). Además de observar y monitorear el progreso y dominio del los idiomas español y chino de su estudiante, con la guía del *Consejo Americano de la Lengua Extranjera directrices de la enseñanza*, o American Council of Teaching Foreign Language (ACTFL-siglas en Inglés), seguiremos el progreso de identificar el dominio en Inglés para estudiantes identificados como EL, utilizando el Sistema de Texas Dominio del Idioma Inglés Evaluación, o *Texas English Language Proficiency Assessment System* (TELPAS-siglas en Inglés) en los módulos del lenguaje (escuchar, hablar, leer y escribir). El distrito y el comité *Language Proficiency Assessment Committee*, o LPAC -siglas en Inglés, monitoreará y rastreará el progreso del desarrollo del idioma Inglés de su hijo/a junto con su progreso académico y le notificará de este progreso, al menos una vez al año. Su firma electrónica indica que está de acuerdo y da su aprobación que su estudiante participe en el programa DLI como nuestro modelo de instrucción. *Tenga en cuenta que cualquier estudiante identificado como EL por el comité LPAC, recibirá una carta de notificación a los padres por separado.*

Grados 6-12

Para hacer frente a las necesidades de nuestros estudiantes, especialmente nuestros estudiantes identificados como English Learners (EL) o aquéllos que aprenden Inglés como segundo idioma, ILTexas ofrece *ESL, basado en el contenido* (ESL, Content-Based), de esta manera el estudiante no sale del salón para recibir instrucción de ESL. De esta manera, el estudiante permanece en el salón y los maestro/as usan estrategias de aprendizaje especializadas mientras enseñan las materias basándose en *Inglés como Segundo Idioma* (ESL). Si el estudiante es identificado como EL, serán inscritos en *ESL basado en el contenido* como parte de su programa académico regular. Este es el modelo de instrucción para nuestros estudiantes de EL y los estudiantes que no lo son. *Tenga en cuenta que la identificación como EL, no plantea ningún cambio en su horario académico.* Cada estudiante de ILTexas es un aprendiz de idiomas (Inglés, Chino y Español). Como tal, es el objetivo de ILTexas es tener el 100% de nuestros maestros certificados en ESL por el estado para que estén bien informados sobre las diferencias de idiomas, adquisición de un segundo idioma, y las mejores estrategias de enseñanza para ayudar a hacer que todo el contenido sea comprensible, incluso cuando los estudiantes no tienen pleno dominio del idioma Inglés. Además, todos nuestros maestros reciben entrenamiento en SIOP (Protocolo de Observación de Instrucción Protegida), dándoles herramientas adicionales para atender a la diversidad lingüística en el aula. Además de observar y monitorear el progreso y dominio del los idiomas Español y Chino de su estudiante con la guía del *Consejo Americano de la Lengua Extranjera directrices de la enseñanza*, o *American Council of Teaching Foreign Languge* (ACTFL-siglas en Inglés), vamos a seguir el progreso de identificar el dominio de estudiantes identificados como EL, utilizando el *Sistema de Texas del Dominio del Idioma Inglés Evaluación*, o *Texas English Language Proficiency Assessment System* (TELPAS-siglas en Inglés) en los módulos del lenguaje (escuchar, hablar, leer y escribir). CONFERENCES, HEARINGS, AND APPEALS

All students are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by state and federal law, and by school policy.

PROCESS FOR SUSPENSIONS LASTING UP TO FIVE DAYS

In addition to the above list of Code of Conduct violations the Campus Principal has authority to suspend a student for a period of up to five school days (except that the student may be suspended for up to ten school days, with no more than five consecutive days being out of school, if student will be recommended for expulsion) for any or the following reasons:

1. The need to further investigate an incident or allegation;
2. A recommendation to expel the student; or
3. An emergency constituting endangerment to health or safety.

While suspended, students are not allowed to be on the campus, including at after school activities. The suspended days will be counted as unexcused absences. Students may receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of days the student was absent. Students are expected to make up all assignments missed during the suspension and the student's grade will be based on the academic performance and merit of the students work without regard to the reason of the student's absence due to suspension. Notwithstanding the aforementioned, the Area Superintendent, the Superintendent or the Superintendent's Designee may continue the aforementioned suspension(s) (ISS or OSS) during an expulsion process, if deemed reasonable by the Area Superintendent, the Superintendent or the Superintendent's Designee.

Prerequisites to Suspension

Prior to suspending a student, the Campus Principal or designee must hold an informal conference with the student to:

1. Notify the student of the accusations against him/her;
2. Allow the student to relate his/her version of the incident; and
3. Determine whether the student's conduct warrants suspension.

Notification to Parents/Guardians

If the Campus Principal or designee determines the student's conduct warrants suspension, the Campus Principal or designee will notify the student's parents that the student has been suspended before the student is sent home. At this time, the Campus Principal or designee will also notify the student's parents of the period of suspension, the grounds for suspension, and the time and place for a post-suspension conference with the Campus Administration.

PROCESS FOR OUT-OF-SCHOOL SUSPENSIONS OVER FIVE DAYS AND EXPULSION

When the Campus Principal determines that a student's conduct warrants suspension for more than five days, or expulsion, the Campus Principal (or acting Principal) shall make a recommendation for disciplinary action to the Superintendent.

Prior to taking any long-term disciplinary action, the Campus Principal or designee will provide the student's parent(s) with written notice of:

1. The Principal's recommendation for the long-term disciplinary action, and
2. The reasons for the recommended long-term disciplinary action.

The Area Superintendent or designee will provide the student's parent(s) with written notice of a disciplinary hearing which shall provide the date (within five school days of the recommended disciplinary action), time, and location of the hearing, and shall further state that, at the hearing, the student:

1. may be present;
2. shall have an opportunity to present evidence;
3. shall be apprised and informed of the school's evidence and witnesses;
4. may be accompanied by his or her parent(s) or other adult who can provide guidance to the parent or student and who is not an employee of the ILTexas; and
5. may be represented by an attorney.

Emergency Placement

If the Campus Principal reasonably believes that a student's behavior is so unruly, disruptive, or abusive that it seriously interferes with a teacher's ability to communicate effectively with students in a class, with the ability of a student's classmates to learn, or with the operation of ILTexas or a school-sponsored activity, the Campus Principal may order immediate removal of the student. The Campus Principal may impose immediate suspension if he/she reasonable believes such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

Hearing Before Area Superintendent, Superintendent or Superintendent's Designee

ILTexas shall inform the student and the student's parent(s) of the time and place for the hearing, and ILTexas shall hold the hearing regardless of whether the student, the student's parents or another adult representing the student attends. The Area Superintendent, Superintendent or Superintendent's designee may audio and/or video record the hearing. Within 24 hours of the hearing, the Superintendent, Superintendent or Superintendent's designee will notify the student and the student's parents in writing of his/her decision. The decision shall specify:

1. The length of the suspension or expulsion, if any;
2. When the expulsion is not permanent, the procedures for re-admittance to the school at the end of the expulsion period; and
3. The right to appeal the Superintendent, Superintendent or Superintendent's designee decision to the Board of Directors and the General Counsel within 72 hours of notification of the decision.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

Appeal to the Board of Directors

The student or his/her parent(s) may appeal the long-term suspension or expulsion decision to the Board of Directors and the General Counsel in writing within 72 hours of notification of the decision. If such an appeal is made, a quorum of the Board will consider the appeal at a regular or specially-called meeting in closed session as allowed by the Texas Open Meetings Act. The quorum of the Board will review the record of the expulsion hearing, and may also hear a statement from the student or parent (or representative) and from the school administration. Any additional evidence not previously presented at the expulsion hearing shall be provided to the General Counsel at least forty-eight (48) hours prior to the Board appeal hearing,

in a format accessible and useable by the General Counsel. The Board may listen to the recording of the expulsion hearing to or at the appeal hearing. The Board will notify the student and his or her parent (or representative) of its decision within five calendar days of the hearing. The decision of the Board is final and may not be appealed.

Discipline consequences will not be deferred pending the outcome of an appeal of an expulsion to the Board.

READMISSION AFTER WITHDRAWAL OR EXPULSION

A student who has withdrawn pending a recommended expulsion or who has been expelled from ILTexas may re-apply for admission and potentially gain re-enrollment subject to meeting each of the following criteria:

1. The student must have been enrolled in another public school during the term of the expulsion from ILTexas.
2. The student must re-apply for admission to ILTexas and follow the same application process as all other applicants.
3. A vacancy must exist in the requested grade level and campus or, if the requested grade level is oversubscribed such that an admissions lottery is conducted, the student is selected for admission through the lottery process or otherwise on the waitlist.
4. The student must submit a petition for re-admission to the ILTexas Board of Directors. This request must be in writing, and must include copies of the student's complete discipline records from the public school(s) attended during the term of the expulsion from ILTexas.

Upon receipt of the student's petition and the required discipline records, ILTexas will notify the student and the student's parents of the date, time, and location of a Board meeting during which the Board of Directors will consider the petition for re-admission.

During the Board's consideration of the petition, the student and his or her parents may make a statement to support the request for re-admission. The student may also submit documentation consisting of recommendations from his or her current teacher(s), commentary from any counselor or school administrator with whom the student may have consulted having personal knowledge of the student and their education experience and conduct, and any other documentation pertinent to the application. The Board may also consider comments from the Principal, Counselor, Grade Level Administrator for the requested campus of enrollment, or any other ILTexas Administrator.

Upon conclusion of the presentation and after review of all relevant documentation, the Board of Directors will decide on whether the student will be re-admitted at the Board's sole discretion. If the student is re-admitted, he or she will be admitted on a 120-day behavior contract recognizing that any violation of the Student Code of Conduct within that time period may result in expulsion without the possibility of readmission. The Board's decision may be appealed through the ILTexas student and parent complaint process, beginning at Level Four, but all decisions of the Board are final and non-appealable.

STUDENTS WITH DISABILITIES

All disciplinary actions regarding students with disabilities (504 or special education under the IDEA) shall be conducted in accordance with current federal and state laws.

Suspension/Expulsion Requirement

Re: 2018 Expedited Charter Renewal Approval for
International Leadership of Texas ILT (057-848)

Dear Mr. Williams:

I am pleased to inform you that the charter renewal petition for International Leadership of Texas has been approved for a term of 10 years. Congratulations on this milestone, and thank you for providing a quality education to the students of Texas.

The operation of a charter school is a difficult endeavor and not one to be taken lightly. Please accept the approval of your charter petition as an extension of the state's confidence in your ability to responsibly serve students and, perhaps more importantly, your conviction to sustain and foster such successful operations. Please remember that the renewal of the charter, while approved for a ten-year term, does not provide for exemptions from statutory or administrative provisions as specified in Texas Education and Administrative Codes. We must all remain steadfast in our commitment to the students of Texas and continually strive to exceed the accountability expectations and standards that cultivate success inside and outside of the classroom.

A renewal charter contract is currently being finalized and will be sent to you in the coming months. Once signed, the contract will be effective August 1, 2018 for a term to expire on July 31, 2028 at which time your organization will have the opportunity to submit another petition for a ten-year charter renewal term.

Again, congratulations on this accomplishment, and I look forward to our continued work together as we provide the leadership, guidance, and resources to meet the educational needs of all students and prepare them for success in the global economy.

Sincerely,

Mike Morath
Commissioner of Education

CONTRACT
FOR RENEWAL
OF
OPEN-ENROLLMENT CHARTER

THIS AGREEMENT, made this 1st day of July, 2018, is executed between the Texas Education Agency ("Agency"), the authority, and International American Education Federation, Inc. ("Charter Holder") to operate International Leadership of Texas, a Generation 17 Open-Enrollment Charter School.

THE PURPOSE of this agreement is to renew terms and conditions between the Agency and the Charter Holder. The following terms shall enable the Commissioner of Education (the "Commissioner"), as vested agent, to maintain an active commitment to the award and regulation of high-quality charter schools within the state of Texas.

To such end, the Agency and Charter Holder, for the consideration hereunder named, agree as follows:

GENERAL

Article I. Definitions, as used in this contract:

"Charter" shall mean the Open-Enrollment Charter as granted by the State Board of Education or the Commissioner of Education and renewed by this contract under the authority of the Commissioner.

"Charter Application" shall mean all information proposed and approved by the State Board of Education or the Commissioner of Education in response to the original Request for Application.

"Charter Holder" shall refer to the sponsoring entity identified in the Charter Application and any entity to which a charter is renewed by this contract.

"Charter School" shall mean the Open-Enrollment Charter School governed by Charter Holder and identified by the six-digit County District Number (CDN) 057-848. The Charter School is part of the public school system of Texas and shall operate as a public "Charter School" within the meaning of 20 U.S.C. § 8066.

"Request for Application" shall refer to all documents approved and published as the Request for Application (RFA) 701-11-108.

"Renewal Term" shall refer to the number of years granted by the Commissioner to renew operations under the Charter.

Article II. The Charter. This contract hereby renews the Charter for International Leadership of Texas under Subchapter D, Chapter 12, of the Texas Education Code (TEC). The terms of the Charter shall include: (a) this renewal contract; (b) the original contract for charter, as signed by

the Charter Holder and the chair of the State Board of Education; (c) applicable law or Administrative rule in effect, amended, enacted or adopted during the term of the contract; (d) Request for Application; (e) any condition, amendment, modification, revision, or other change to the Charter adopted or ratified by the authorizing entity, including any prior renewal documents with revisions based on contingency responses; (f) final renewal application received in January 2018, including any revisions required by the Agency to the Charter made during the renewal process; and (g) all statements, assurances, commitments and representations made by Charter Holder in the original Charter Application and Renewal Application, attachments or related documents, to the extent consistent with the aforementioned (a) through (f).

Article III. Material Violation(s). Upon any and all determinations of material violation(s), the contract for the charter shall be subject to revocation under TEC §12.115(a). Actions that may constitute a material violation are, but not limited to, specific references hereunder. Additional illustrative examples include the failure to procure valid: (a) certificate(s) of occupancy; (b) fingerprinting; and (c) criminal background checks.

Charter Holder affirms its understanding that the Charter School is to be in compliance with Texas Administrative Code (TAC) §100.1032 concerning the majority of its student population being in state-tested grade levels throughout the entire Renewal Term. Unless Charter Holder submits and subsequently receives Commissioner approval to waive this threshold.

Article IV. Term of Charter. The Renewal Term for the Charter shall be for a period of ten (10) years beginning August 1, 2018. The Charter shall automatically expire on July 31, 2028, unless otherwise subject to forfeiture for failure to meet criteria under TEC §12.101 or revocation. A failure to perform under this Article shall constitute a material violation.

Article V. Renewal(s) of Term. This Agreement does not vest Charter Holder with a right of automatic renewal. All requests for renewal shall be determined by a timely application in the form prescribed by the Commissioner, with subsequent determination by the Commissioner. The Charter shall not be renewed on or before July 31, 2028. No Renewal of Term shall exceed ten (10) years.

Article VI. Alienation of Charter. The Charter may not be assigned, encumbered, pledged or in any way alienated for the benefit of creditors or otherwise. Charter Holder may not delegate, assign, subcontract or otherwise alienate any of its rights or responsibilities under the Charter. Any attempt to do so shall be null and void and hold no force or effect. Breach under this section shall constitute a material violation.

Article VII. Revision by Agreement. The terms of the Charter may be revised with the consent of Charter Holder by written amendment approved by the Commissioner.

STUDENTS

Article VIII. Open-Enrollment. Admission and enrollment shall be open to any person(s) who resides within the approved geographic boundary stated in charter application and who is eligible for admission based on lawful criteria as identified in the Charter Application and all applicable and approved amendments to the Charter. Total enrollment shall not exceed the maximum number of students approved in the Charter Application and all applicable and approved amendments to the Charter.

Article IX. Non-Discrimination. The Charter School's educational program shall comply with TEC §12.111(a)(5).

Article X. Children with Disabilities. A charter school is a "local educational agency" as defined by federal law. Charter Holder must comply with the Individuals with Disabilities Education Act (IDEA), as amended by the Individuals with Disabilities Education Improvement Act of 2004, 20 U.S.C. §1401, et seq., and implementing regulations; Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and implementing regulations; Title II of the Americans with Disabilities Act (ADA), 42 U.S.C. §§ 12131-12165, and implementing regulations; Chapter 29, Texas Education Code, and implementing rules; and court cases applying these laws.

Article XI. Non-Religious Instruction and Affiliation. Charter School shall not conduct religious instruction or religious activities. Charter Holder and Charter School shall be nonsectarian in their programs, policies, employment practices, and all other operations.

Article XII. Educational Program. Continued authority to operate under the Charter during the Renewal Term is contingent upon all approved campus(s) actively providing the specific educational program(s) as proposed in the Charter Application. Any and all changes to the proposed educational program(s) and (or) specific demographic population(s) without approval of the Commissioner shall constitute a material violation.

Article XIII. Student Performance and Accountability. Charter Holder shall satisfy (a) Subchapters B, C, D, F, G, and J, Chapter 39, and Chapter 39A; (b) Chapter 12, Subchapter D, §12.104 of the Texas Education Code (both versions); and (c) related Administrative rules, as well as the student performance accountability criteria stated in the Charter Application and all applicable and approved amendments to the Charter.

FINANCIAL MANAGEMENT

Article XIV. Financial Management and Accountability. Charter Holder shall satisfy (a) Chapter 39 Subchapter D; and (b) Chapter 12, §§12.104, 12.106, 12.107, 12.111, and 12.128 of the Texas Education Code, and (c) related Administrative rules regarding financial management accountability.

Article XV. Annual Audit. Charter Holder shall at its own expense have the financial and programmatic operations of the Charter School independently audited annually by a certified public accountant holding a valid permit that is void of a limited scope sanction from the Texas State Board of Public Accountancy with membership in the American Institute of Certified Public Accounting's Governmental Audit Quality Center. Charter Holder shall file a copy of the annual audit report, approved by Charter Holder, with the Agency not later than the 150th day after the end of the fiscal year for which the audit was made. The audit must comply with Generally Accepted Auditing Standards and must include an audit of the accuracy of the fiscal information provided by the Charter School through PEIMS. Financial statements in the audit must comply with Government Auditing Standards and the Office of Management and Budget Circular A-133.

Article XVI. Return of Property and Funds. It is understood that in accordance with TEC §§12.128 and 12.107, a charter holder that ceases to operate for any reason, including revocation or expiration/non-renewal, shall return to the state all public property and public funds upon cessation of operation. This includes any and all property purchased or leased with state funds under TEC §12.106 and all unspent funds held in trust for the benefit of the students pursuant to TEC §§12.106 and 12.107.

Article XVII. Indebtedness of Charter. Charter Holder shall not incur a debt, secure an obligation, extend credit, or otherwise make use of the credit or assets of the Charter School for any purpose other than operations as approved in the Charter.

Article XVIII. Non-Charter Activities. Charter Holder shall keep separate and distinct accounting, audits, budgeting, reporting, and record keeping systems for the management and operation of the Charter School. Any business activities of Charter Holder not directly related to the management and operation of the charter school shall be kept in separate and distinct accounting, auditing, budgeting, reporting, and record keeping systems from those reflecting activities under the Charter. Failure to perform under this article shall constitute a material violation.

GOVERNANCE AND OPERATIONS

Article XIX. Organizational Mission. Charter Holder shall govern and operate in strict accordance with the proposed organizational mission as presented in the Charter Application and all applicable and approved amendments to the Charter.

Article XX. Non-Profit Status. Charter Holder shall take and refrain from all acts necessary to maintain good standing as an organization exempt from taxation under §501(c)(3), Internal Revenue Code. If Charter Holder is incorporated, it shall comply with all applicable laws governing its corporate status. Failure to perform under this article shall constitute a material violation.

Article XXI. Records Retention and Management. Charter Holder shall implement a records management system that conforms to the system required of school districts under the Local Government Records Act, §201.001 et seq., Local Government Code, and rules adopted thereunder; provided, however, that records subject to audit shall be retained and available for audit for a period of not less than five (5) years from the latter of the date of termination or renewal of the Charter.

Charter Holder shall maintain all student and staff records. A charter holder that ceases to operate for any reason, including revocation or expiration/non-renewal, shall return to the state all student and staff records within 30 days of closure, per TEC §12.1052 (d), in the manner specified by the commissioner to a custodian designated by the commissioner.

Article XXII. Failure to Operate. Charter Holder shall operate the Charter School for the full school term as proposed in the Charter Application and all applicable and approved amendments to the Charter for each year authorized by this Agreement. Charter Holder may not suspend operation for longer than twenty-one (21) days without a revision to the Charter, adopted by the Charter Holder Board, and approved by the Commissioner prior to the temporary suspension of operations, stating that the Charter School is dormant and setting forth the date on which operations shall resume and any applicable conditions. Failure to comply under this article shall constitute a material violation.

Article XXIII. Charter School Facility. Charter Holder shall possess and maintain, for the entire Term of Charter: (a) lease agreement(s); or (b) lawful title; or (c) other legal instrument granting a lawful right of occupancy and use. All facilities and (or) other real property procured by Charter Holder must be of suitable use as proposed in the Charter Application and all applicable and approved amendments to the Charter. The term 'facility' under this Article shall constitute any of

the following: as defined in Chapter 100, Texas Administrative Code (a) campus; and (b) facility; and (c) site that is procured by state and(or) federal funding.

Charter Holder affirms that it shall govern and maintain operations in all facilities throughout the entire Renewal Term. The term 'operations' under this Article shall constitute an open facility that is currently serving lawfully enrolled students. Without prior approval by the Commissioner, failure to comply under this article shall constitute a material violation.

Article XXIV. Indemnification. Charter Holder shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind of nature asserted by any third-party and occurring or in any way incident to, arising out of, or in connection with any acts of Charter Holder, its agents, employees, and subcontractors in performance of this Agreement.

THIS AGREEMENT

Article XXV. Entire Agreement. This contract, including all referenced attachments and terms incorporated by reference, contains the entire agreement of the parties. All prior representations, understandings, and discussions are superseded by this contract.

Article XXVI. Severability. If any provision of this contract is determined by a court or other tribunal to be unenforceable or invalid for any reason, the remainder of the contract shall remain in full force and effect, to give effect to the intent of the parties to the extent valid and enforceable.

Article XXVII. Conditions of Contract. Execution of this contract by the Commissioner is conditioned on full and timely compliance by Charter Holder with: (a) the terms, required assurances, and conditions of RFA; (b) applicable law; and (c) all commitments and representations made in the original Charter Application, approved amendments, and Renewal Application, and any supporting documents (to the extent such commitments and representations are consistent with the terms of this contract).

By executing this contract, the Charter Holder represents that it understands that the Charter Holder, including any and all governance, at whatever level whether appointed or elected, employees, agents, and volunteers shall fully cooperate with every Texas Education Agency investigation and/or sanction deemed necessary by the Commissioner based on authority and responsibility vested by state or federal law. Agency staff may conduct confidential interviews of Charter School personnel and contractors outside the presence of representatives of the Charter School's administration and Board, and that failure to timely reply with reasonable requests for access to site, personnel, documents, or other materials and/or items shall constitute a material violation.

Article XXVIII. No Waiver of Breach. No assent, express or implied, to any breach of any of the covenants or agreements herein shall waive any succeeding or other breach.

Article XXIX. Governing Law. In any suit arising under this contract, Texas law shall apply.

Article XXX. Laws and Rules Applicable. By executing this contract, the undersigned representatives of Charter Holder represent that they have read and understand the rules adopted by the Commissioner pursuant to Texas Education Code Chapter 12, Subchapter D and that they have had full opportunity to consult with their own legal counsel concerning said rules prior to

executing this Agreement. The undersigned representatives further understand and agree that: (a) this contract is contingent upon legislative authorization and the contract and the funding under it may be modified or even terminated by future legislative act; (b) the terms of this contract, and of the Renewed Open-Enrollment Charter created by this contract, include all applicable state and federal laws and all applicable rules and regulations; (c) state and federal laws, rules, and regulations may be adopted, amended or repealed from time to time; (d) all such changes to state and federal laws, rules, and regulations applicable to Charter Holder or to its Charter School may modify this contract, as of the effective date provided in the law, rule, or regulation; and (e) a contract term that conflicts with any state or federal law, rule, or regulation is superseded by the law, rule, or regulation to the extent that the law, rule, or regulation conflicts with the contract term.

Notwithstanding the granting of this renewal, it is understood by the parties, that the Charter continues to be subject to future actions by the Commissioner including, but not limited to, possible revocation under TEC §12.115(c).

Article XXXI. Eligibility and Authority. By executing this contract, Charter Holder represents that it is an "eligible entity" within the meaning of §12.101(a) of the Texas Education Code, and it is understood by all parties that if the Charter Holder loses its 501(c)(3) tax exempt status at any time through action of the Internal Revenue Service for any reason or any other action which renders the Charter Holder no longer an "eligible entity" within the meaning of TEC §12.101(a), the charter contract shall be rendered null and void, and it shall automatically return without any further action having to be taken by the Commissioner. Subsequent reinstatement of the 501(c)(3) tax exempt status does not reinstate the Charter.

The Charter Holder shall immediately notify the Commissioner of any legal change in its status, which would disqualify it from holding the Charter, of any violation of the terms and conditions of this contract, or of any change in the Chief Operating Officer of the Charter Holder. Charter Holder further represents that the person signing this contract has been properly delegated authority to do so.
