0 The Student Attends A School That Is Not Designated By The District As A Title I, Part A School And The Student Does Not Receive Any Services Funded By Title I, Part A, Or The Student Attends A Title I, Part A Targeted Assistance School, But Does Not Presently Participate In Services Funded By Title I, Part A And Has Not Previously Participated In Title I, Part A Services At The School In Which The Student Is Currently Enrolled

A The Student Resides In A Facility For The Neglected, Attends A Non-Title I Campus, And Receives Title I, Part A Services Through A Title I; Part A Program That Is Run Through The Central Administration Office.

“Neglected” students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as “A” if they do not attend a schoolwide or targeted assistance campus. Such students who attend a Title I campus would be coded “6,” or “7,” as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded “A.” LEAs would only code students as “A” in one of the following circumstances:

- The LEA received a “neglected share” as part of its Title I, Part A entitlement and provided Title I, Part A services to one or more neglected students attending a non-Title I campus; or
- The LEA may not have received a “neglected share,” but a facility for the neglected opened within the LEA’s boundaries since the last October survey of facilities for the neglected was conducted. In this case, the LEA would report the address of the facility to the Division of Formula Funding at TEA so that a survey would be generated for that facility during the next survey period. If a student residing in this facility attended a non-Title I campus and the LEA provided Title I, Part A services to the student, the LEA would code the student as “A”.

6 The Student Attends A Title I, Part A Schoolwide Program School.

7 The Student Attends A Title I, Part A Targeted Assistance School And Participates In Title I, Part A Programs And/Or Services.

8 The Student Attends A Title I, Part A Targeted Assistance School And Does Not Currently Participate In Title I, Part A Programs And/Or Services, But Previously Participated In Title I, Part A Programs And/Or Services At This School.

When assigning the Career and Technical Indicator Code, include enrollment in all Career and Technical Education (CTE) courses, regardless of course funding weight

0 Not Enrolled In A CTE Course

1 Enrolled In A CTE Course

A student in grades 6-8 who is taking a CTE course as of the fall snapshot date or completed a CTE course by the end of the school year.

A student in grades 9-12 who is taking a CTE course as of the fall snapshot date or completed a CTE course by the end of the school year, and the student's 4-year plan of study does not outline a coherent sequence of courses in CTE

The following codes are for students who on the fall snapshot date: (a) have a 4-year plan to take a coherent sequence (2 or more CTE courses for 3 or more credits) of courses in CTE, and (b) are enrolled in or have completed a semester of CTE course(s), which are part of their CTE coherent sequence of courses. If a student's 4-year plan changes, then the student could go from a code 2 or 3 to a 0 or 1 in a subsequent school year

2 Participant In A Coherent Sequence Of Courses

A student in grades 9-12 who is enrolled in a sequential course of study, which develops occupational knowledge, skills, and competencies relating to a CTE program of study. The student must have a 4-year plan of study to take 2 or more CTE courses for 3 or more credits

3 Participant In Tech Prep Program

A student in grades 9-12 who follows a state approved Tech Prep high school plan of study leading to postsecondary education and training. The student must have a 4-year secondary plan of study that includes a CTE coherent sequence of courses of 2 or more CTE courses for 3 or more credits. The plan must provide at least one option for articulated and/or concurrent credit at the postsecondary level

00 Student is **not homeless** at any time during current school year

01 Student lives in a **shelter**, transitional housing, or is awaiting foster care at any time during current school year
Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, transitional housing programs, and temporary placements while awaiting foster care. The shelters category for homeless students **does not** include residential treatment facilities, Title I Neglected or Delinquent facilities, or Texas Youth Commission facilities.

02 Student lives temporarily **doubled-up** (sharing residence with a family or individual) at any time during current school year
Doubled-Up (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.

03 Student is **unsheltered** (i.e., lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year
Unsheltered is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”

04 Student lives in **motel or hotel** at any time during current school year
Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”
