Detail Record Layout

Field Name	Required	Data Type	Used for Matching	Format Details	Description of Changes
Current School Code	Yes	VarChar (9)	No	School Code where the student is currently enrolled or where the staff is currently employed. Indicates the unique campus number registered with the Texas Education Directory (askTED). Note: For non-campus staff, submit 000 as the last three digits of the Current School Code (for example, 227901000).	Revised Format Details
Last Name	Yes	VarChar (25)	Yes	Legal last name of the student or staff.	Changed data type
First Name	Yes	VarChar (17)	Yes	Legal first name of the student or staff.	Changed data type
Middle Name	No	VarChar (14)	Yes	Legal middle name of the student or staff.	Changed data type
Local Student ID	Yes	VarChar (9)	No	ID used in the local Student Information System to uniquely identify the student in the submitting system. The primary purpose of this field is to provide a mechanism to import student data from the TSDS Unique ID system back into the local source systems. For staff, ID used in the local Human Resource System.	Changed data type

The Cancelled Records File contains all the fields in the Detail Record in addition to the following field:

Record Comments	No	VarChar (2048)	No	This field contains a list of validation errors that the application encountered for this input record during the validation process. If more than one error was found in a record, all errors are listed with each one delimited from the other by a semicolon.	Added
-----------------	----	----------------	----	--	-------

NOTE: One batch file should not contain more than 40,000 detail records.
