Additional Information regarding Disciplinary Alternative Education Program (DAEP) Conferences, Expulsion Hearings, Placement Reviews, and Other Actions

1. What is required in order to send a student to a Disciplinary Alternative Education Program?

Before removing a student to a DAEP under Texas Education Code (TEC) §37.008, the appropriate administrator shall schedule a conference among the principal or other appropriate administrator, a parent or guardian of the student, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. **If the student has been alleged to have committed an offense as described in TEC §37.006 then the district official holding the conference meeting must present substantiated documentation of the alleged behavior as provided by a law enforcement agency or as created/obtained by the school district administrator.** Refer to PEIMS Data Standards Section 2, 425 Student Disciplinary Action Record for more information on this requirement.

2. What is required in order to expel a student?

Before a student may be expelled under TEC §37.007, the board or the board's designee must provide the student a hearing at which the student is afforded appropriate due process as required by the federal constitution and which the student's parent or guardian is invited, in writing, to attend. At the hearing, the student is entitled to be represented by the student's parent or guardian or another adult who can provide guidance to the student and who is not an employee of the school district. If the decision to expel a student is made by the board's designee, the decision may be appealed to the board. The decision of the board may be appealed by trial de novo to a district court of the county in which the school district's central administrative office is located. **If the student has been alleged to have committed an offense as described in TEC §37.007 then a district official holding the expulsion hearing must present substantiated documentation of the alleged behavior as provided by a law enforcement agency or as created/obtained by the school district administrator.** Refer to PEIMS Data Standards Section 2, 425 Student Disciplinary Action Record for more information on this requirement.

3. What is required if a student's DAEP placement will extend beyond the end of the next grading period?

If the student's **placement** in a DAEP is to extend beyond the end of the next grading period, a student's parent or guardian is entitled to notice of and an opportunity to participate in a proceeding before the board of trustees of the school district or the board's designee, as provided by policy of the board of trustees of the district. Any decision of the board or the board's designee under this subsection is final and may not be appealed.

4. What is the maximum length for an out-of-school suspension placement?

In accordance with TEC §37.005, under no circumstance may an OSS exceed (3) three days. If a student receives out-of-school suspension for a partial school day (even if for one class period), that partial day is considered one of the three total allowable out-of-school suspension days.

5. What is required if the student's DAEP placement will extend beyond the end of the current school year and into the next school year?

Before assigning a student to a disciplinary alternative education setting that extends beyond the end of the school year in which the initial assignment was made, the board or the board's designee must determine that: **(1)** the student's presence in the regular classroom program or at the student's regular campus presents a danger of physical harm to the student or to another individual, **or (2)** the student has engaged in serious or persistent misbehavior that violates the district's student code of conduct.

A student placed in a DAEP under TEC §37.002 or 37.006 shall be provided a review of the student's status, including a review of the student's academic status, by the board's designee at intervals not to exceed 120 days. In the case of a high school student, the board's designee, with the student's parents or guardian, shall review the student's progress towards meeting high school graduation requirements and shall establish a specific graduation plan for the student.

At the review, the student or the student's parent or guardian must be given the opportunity to present arguments for the student's return to the regular classroom or campus.

6. What is required regarding special education students who commit behaviors that require a disciplinary removal action?

The disciplinary placement of all students who are served in special education with an Individualized Education Program (IEP) must be determined by an Admission, Review, and Dismissal (ARD) committee. TEC §37.004(a) Further, any disciplinary action regarding a student with a disability who receives special education services that would constitute a change in placement under federal law may be taken only after the student's ARD committee conducts a manifestation determination review under 20 U.S.C. Section 1415(k)(4) and its subsequent amendments. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulation, including laws or regulations requiring the provision of:

1. Functional behavioral assessments;
2. Positive behavioral interventions, strategies, and supports; and
3. Behavioral intervention plans. TEC §37.004(b).

For disciplinary removals of a student who is receiving special education and related services from the student's current educational placement, a change of placement occurs if the removal is for more than 10 consecutive days (CFR §300.530 - §300.536). The ARD committee that deals with the change of placement must review the student's IEP to detail the special education and related services to be administered to the student while he is removed for discipline reasons. Be careful not to confuse the 10-day change of placement requirement for special education purposes with the 1-day removal requirement for 425 record reporting purposes. A 425 record is required for all students who are receiving special education and related services and are removed from their regularly scheduled classes for one day or more. A change of placement occurs when the removal is for more than 10 consecutive days, and a change of placement may occur when the removal is for more than 10 cumulative days in a school year based on factors such as the length of each removal, the total amount of the time the child is removed, and the proximity of the removals to one another. An ARD committee must be involved when the removal or series of removals constitute a change in placement.

7. What are the factors to be determined when determining truancy violations?

A student commits truancy if the student is required to attend school under Section 25.085; AND (1) fails to enroll **or** (2) fails to attend school on three or more days or parts of days within a four week period or fails to attend school on 10 or more days or parts of days within a six month period in the same school year.

Truancy

For truancy violations, a juvenile court always has original jurisdiction under the Family Code. Once jurisdiction is waived to a Justice of the Peace or Municipal court, truancy becomes "failure to attend" under Chapter 45 code of Criminal Procedure. Under TEC §25.0951, a court is required to dismiss a complaint regarding absences if the school fails to file the complaint within ten school days of the student's tenth absence.

A parent contributes to truancy if the parent fails to require the child to attend school as required by law, and the child has absences for the amount of time specified under Section 25.094.

8. What is the minimum age that a student can be placed in a Disciplinary Alternative Education Program?

Under TEC §37.006(a), (b), (c), and (l), all students, who are at least 6 years of age on the date that an offense is committed, **must be removed to a DAEP**, for a time period that is determined by the local Student Code of Conduct, if one of the following acts are committed: on or within 300 feet of school property, or while the student is attending a school-sponsored, or school related activity, on or off of school property. The school administrator designated must first establish a reasonable belief that the act has been committed and then corroborate and document that belief with appropriate law enforcement officials.

9. What is the minimum age that a student can be expelled?

Under TEC §37.007(a), (d), and (h), and §37.007(f) students who are ~~at~~ younger than 10 years of age on the date that an offense is committed, and have committed a mandatory expellable offense other than bringing a firearm to school, **must be placed in a DAEP** for a period of time that is determined by the superintendent or their designee.

Under TEC §37.007(e), (student brings a firearm to school), students who are ~~at~~ younger than 10 years of age on the date that an offense is committed, **must be expelled and placed in a DAEP** for a minimum term of one year, unless the expulsion term is reduced by the superintendent or their designee.

10. What are the required procedures for using Discipline Action Reason Code 23 – Emergency Placement/Emergency Expulsion?

DISCIPLINARY-ACTION-REASON-CODE 23, as authorized by TEC §37.019, allows for either emergency placement or emergency expulsion. The law states that immediate placement (Emergency Placement) of a student in an alternative program is allowed if the principal or principal's designee has a reasonable belief that the student is unruly, disruptive, or has abusive behavior that seriously interferes with a teacher's ability to communicate effectively with the students in a class, with the ability of the student's classmates to learn, or with the operation of a school or school-sponsored activity. The law also states that immediate expulsion (Emergency Expulsion) of a student is allowed if the principal or the principal's designee has a reasonable belief that immediate action is needed to protect persons or property from imminent harm. Thus, emergency action under TEC §37.019 should not be the only/final action taken. Code 23 allows for emergency action prior to the due process required under TEC §37.009. Within a reasonable time after the emergency action, due process must then be accorded the student. These two situations may overlap with other codes on the Disciplinary Action Code Table. However, the central focus of this code is the principal's decision to take immediate action in an emergency situation that cannot wait for due process to occur. This code should not be used on a routine basis, only for emergency situations.

11. What are the requirements for keeping documentation under Article 15.27, Code of Criminal Procedure received from law enforcement personnel investigating alleged criminal behaviors at/for a school?

With regards to the documentation requirements mentioned above, "TEC §37.017 Destruction of Certain Records" states Information received by a school district under Article 15.27, Code of Criminal Procedure, may not be attached to the permanent academic file of the student who is the subject of the report. The school district shall destroy the information at the end of the school year in which the report was filed. In light of this requirement to destroy information received under Article 15.27, Code of Criminal Procedure, the district must retain documentation other than the information received under Article 15.27, Code of Criminal Procedure to support the discipline data submitted on the 425 record for a period of 5 years.

12. How should a school handle situations where a student(s) have committed multiple violations in the course of one disciplinary event?

Multiple violations are sometimes committed in the course of one disciplinary event. When completing a 425 record, the district should report only the violations DISCIPLINARY-ACTION-REASON-CODE(s) for which disciplinary action(s) DISCIPLINARY-ACTION-CODE(s) are taken. If actions are only taken for the most serious violation, then only one DISCIPLINARY-INCIDENT-NUMBER should be entered on a 425 record when reporting the DISCIPLINARY-ACTION-REASON-CODEs and DISCIPLINARY-ACTION-CODEs.

If the district takes disciplinary action on each violation that occurred during one disciplinary event, the district should enter a new DISCIPLINARY-INCIDENT-NUMBER for each separate DISCIPLINARY-ACTION-REASON-CODE (violation) being reported.

13. What should a school do if a student attempts to withdraw from school before a disciplinary removal action has been determined for a particular incident?

If a student is involved in a reportable disciplinary incident, and the student attempts to withdraw from school before the disciplinary assignment is made, the district/school should complete the due-process proceedings that result in a disciplinary assignment before the student is allowed to withdraw and then the district is required to report the 425 record reflecting that assignment in order to remain in compliance with TEC §37.009.

14. How does a school administrator distinguish between an illegal knife and a non-illegal knife?

In making the distinction between an illegal knife which is a mandatory expellable offense and a non-illegal knife which is a discretionary expellable offense the following must be taken into consideration:

An illegal knife (DISCIPLINARY-ACTION-REASON-CODE 12) as defined by Section 46.01, Penal Code has a blade length longer than 5.5 inches and meets other definitional requirements as stated in Appendix E.

A non-illegal knife (DISCIPLINARY-ACTION-REASON-CODE 50) as defined by local policy has a blade less than 5.5 inches and meets other definitional requirements as stated in Appendix E.

15. What part of Texas Education Code Chapter 37 must a charter school follow?

While Open Enrollment Charter Schools are not required to participate in the Chapter 37 Discipline Management Program detailed in the TEC, they are required to submit 425 records on any students that they have suspended or expelled. The reason for the suspension or expulsion does not alter the reporting requirement. This issue relates to the federal data reporting requirements for IDEA 2004. Also, federal rules are specific as to the expulsion of students caught with a firearm at school. They must be expelled whether they are enrolled at a public school or an Open Enrollment Charter School. The suspension codes and expulsion codes from Code Table C164 should be sufficient to handle any categorization of those disciplinary actions taken. And, the DISCIPLINARY-ACTION-REASON-CODEs in Code Table C165 should be sufficient to handle any categorization of those disciplinary action reasons identified. For DISCIPLINARY-ACTION-REASON-CODEs that are not specifically identified in Code Table C165, code 21, Violated Student Code of Conduct, should be used to report the suspensions and expulsions.

16. What are the procedures for reporting Truancy actions on the 425 Discipline record?

If a student withdraws from the district or is withdrawn by the district after truancy charges are filed and the court during the same school year issues a finding of truancy then the district is to report a 425 record using the date of withdrawal as the DATE-OF-DISCIPLINARY-ACTION.

If a court hearing does not occur until the summer following the school year in which the truancy charges are filed a 425 record for truancy (if there is a finding of truancy by the court) will be reported the following school year (if the student re-enrolls in the district the following year) with the DATE-OF-DISCIPLINARY-ACTION being the first day of school.

In cases where the school district files truancy proceedings against the parent(s) and the student for the same event, if the court makes a finding (disposition/order) against the parent and student, a 425 record is required for the student.

Districts have the option of reporting both parent(s) and student truancy findings but must report the student and must use two different incident numbers. If truancy is only found against the parent and not the student then a 425 record must be reported on the findings against the parent(s).

Finding or filing of truancy charges does not constitute a disciplinary assignment in and of itself. Any action by the district requiring removal from the regular classroom for truancy must be documented in the district's student code of conduct TEC 37.001.

17. What is an In-School Suspension setting?

ISS includes any disciplinary setting other than DAEP, JJAEP, or OSS. For Special Education student's behavior management or behavior adjustment classes are not considered ISS programs as established by the ARD committee and are not considered ISS programs.

18. When is it appropriate to use Discipline Action Code 13 – Court Ordered Placement to a JJAEP and 14 – Court Ordered Placement to a DAEP?

DISCIPLINARY-ACTION-CODE 13 may only be used when a Court order requires a student to attend the JJAEP independent of any action required to be taken by the school district and described in TEC Chapter 37. Do not use DISCIPLINARY-ACTION-CODE 13 for students that are incarcerated in either a jail or juvenile detention center. A term of incarceration does not constitute a removal by a school district. The DISCIPLINARY-ACTION-REASON-CODE for DISCIPLINARY-ACTION-CODE 13 should always be 21 because the district is reporting a court ordered placement for a behavior which the district either could not or would not have acted.

DISCIPLINARY-ACTION-CODE 14 may only be used when a Court order requires a student to attend a DAEP independent of any action required to be taken by the school district and described in TEC Chapter 37. Do not use DISCIPLINARY-ACTION-CODE 14 for students that are incarcerated in either a jail or juvenile detention center. A term of incarceration does not constitute a removal by a school district. The DISCIPLINARY-ACTION-REASON-CODE for DISCIPLINARY-ACTION-CODE 14 should always be 21 because the district is reporting a court ordered placement for a behavior which the district either could not or would not have acted.

When reporting DISCIPLINARY-ACTION-CODEs 13 (Placement in a JJAEP by Court order) and 14 (Placement in a DAEP by Court order), please refer to the ADMINISTRATOR ADDRESSED letter dated May 29, 2002. This letter is available on the TEA website under the Correspondence link. In order to place a student in a JJAEP or DAEP by a Court order, there must be a MOU between the court ordering the placement and the school district that will effect and make the placement. **In all circumstances of court ordered placements to a JJAEP or DAEP, the DISCIPLINARY-ACTION-REASON-CODE must be a 21 (Violation of student code of conduct not included under TEC §§37.002(b), 37.006, or 37.007). The use of DISCIPLINARY-ACTION-REASON-CODEs 09 (Off-Campus Title 5 Felony) and 10 (Off-Campus Non-Title 5 Felony) for Court ordered placements to a JJAEP or DAEP is not acceptable because the school district has original jurisdiction and a due-process responsibility to hold a conference meeting to enforce a DAEP removal/action as required or permitted in TEC 37.006 (c) and (d).** The provisions for these court ordered placements must also be outlined in the Local Student Code of Conduct. Any behavior that a student engages in at school or a school related activity for which they will receive disciplinary attention as provided for under either the minimum requirements of TEC 37.006/TEC 37.007, or the minimum standards of the Local Student Code of Conduct, must be initiated and actuated by the local school district.

In the event that a school district finds it necessary to continue a Court ordered placement to a JJAEP or a DAEP from a prior school year or a prior school district, a new 425 record must be reported with a **DISCIPLINARY-ACTION-REASON-CODE of 21** and a **DISCIPLINARY-ACTION-CODE of 13 or 14** depending on the action taken.

Remember that DAEP assignments that continue into a new school year are subject to the requirements of TEC 37.009(c) referenced on the first page of Appendix E.

19. Please explain the Discipline Action Reason Code 01 – Permanent Removal from Class by a Teacher.

Permanent removal by a teacher from class (DISCIPLINARY-ACTION-REASON-CODE 01) under TEC §37.002(b) is limited for use in those situations where the teacher has refused re-admittance of the student to that teacher's class. Otherwise, if the teacher allows re-admittance of the student to the class, then Code 21 (other Student Code of Conduct violation) should be used.

20. What are the consequences of a school not reporting its discipline removal events through the PEIMS 425 record?

Under TEC 37.008(m-1), failure to report all disciplinary removals and truancy actions as required by state and federal law may result in a review by the commissioner of education and notice to the local school board of any problems noted in the district's data, or a violation of a law or other rule. This review may also result in a notification to the county attorney, district attorney, criminal district attorney, as appropriate, and the attorney general. This provision can apply to missing, inaccurate, and/or falsified information/data.

21. Which LEAs are required to participate in the county run Juvenile Justice Alternative Education Program (JJAEP)?

In counties where the population is over 125,000, state law requires that expelled students be placed in an alternative education setting of some type. Districts located in these counties may place discretionary expelled students in a DAEP operated by the district and Mandatory expelled students in a JJAEP operated by the juvenile board for the county.

22. What options exist for an LEA that expels a student in a county that does not have a JJAEP?

If a student has been expelled in a county that does not have a JJAEP program, the LEA may either expel the student without academic placement or the student may be expelled with placement to the LEA DAEP.

23. What is the definition of an Off-Campus DAEP?

An **off-campus DAEP**:

1. Has it's own **campus identification number**;
2. Has it's own **building** (is not a program on a regular campus or an at-risk alternative education campus);
3. Has it's own **budget**;
4. Has it's own **administrator**;
5. Serves only students removed under TEC, Chapter 37 (no other non-discipline program may be operated on the campus);
6. Must use the services of **certified teachers**;
7. Must provide for a **180-day school year**; and
8. Must provide for a **7-hour school day**

Note: if your school district or charter school has chosen to operate or participate in, through a shared services arrangement (SSA), an off-campus DAEP, your district or school must register the campus with the TEA as a DAEP instructional campus.

24. What is the definition of an On-Campus DAEP?

An **on-campus DAEP** is one that **may have its own campus identification number**. If an on-campus DAEP has its own campus identification number, then the campus must —

1. have an **administrator** (administrator can serve more than one campus);
2. have its own **budget**;
3. use the services of **certified teachers for delivering educational and behavioral instruction** to the students assigned to the on-campus DAEP
4. provide for students who are assigned to the DAEP to be **separated from students who are not assigned to the DAEP** ("sight and sound barrier" should exist to provide adequate separation);
5. provide for a 180-day school **180-day school year**
6. provide for a **7-hour school day** and
7. **share a facility** with a non-disciplinary program.

Note: If your school district or charter school has chosen to operate or participate in, through an SSA, an on-campus DAEP your district or school must register the campus with the TEA as a DAEP instructional campus.

If an on-campus DAEP does not have its own campus number, then a student should remain enrolled at the campus at which the student was enrolled when he or she was removed while placed in the on-campus DAEP.
