DESCRIPTION OF CODES

This section contains an alphabetical listing of the names of the code tables used with the data elements described in TEDS Section 2. The code tables are arranged in code table ID number sequence.

The code tables translate the code values and explain the translations where necessary. A description of the information to be found in each code table is as follows.

Information	Description
Code Table ID	Code Table Reference Number In The Form • "C---" which represents the PEIMS Code Tables • "DC---" which represents the TSDS Dashboard Code Tables
Name	Name Of The Code Table
XML Name	XML name or tag for the data element as found in the XML schema
Date Issued	Date The Code Was Published
Date Updated	Date Of The Last Change To The Code Table
Code	A String Of Characters Which Represents The Translation
Translation	Meaning Of The Code

A	The Student Resides In A Facility For The Neglected, Attends A Non-Title I Campus, And Receives Title I, Part A Services Through A Title I; Part A Program That Is Run Through The Central Administration Office. "Neglected" students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as "A" if they do not attend a schoolwide or targeted assistance campus. Such students who attend a Title I campus would be coded "6," or "7," as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded "A." LEAs would only code students as "A" in one of the following circumstances: • The LEA received a "neglected share" as part of its Title I, Part A entitlement and provided Title I, Part A services to one or more neglected students attending a non-Title I campus; or • The LEA may not have received a "neglected share," but a facility for the neglected opened within the LEA's boundaries since the last October survey of facilities for the neglected was conducted. In this case, the LEA would report the address of the facility to the Division of Formula Funding at TEA so that a survey would be generated for that facility during the next survey period. If a student residing in this facility attended a non-Title I campus and the LEA provided Title I, Part A services to the student, the LEA would code the student as "A".
6	The Student Attends A Title I, Part A Schoolwide Program School.
7	The Student Attends A Title I, Part A Targeted Assistance School And Participates In Title I, Part A Programs And/Or Services.
8	The Student Attends A Title I, Part A Targeted Assistance School And Does Not Currently Participate In Title I, Part A Programs And/Or Services, But Previously Participated In Title I, Part A Programs And/Or Services At This School.

	When assigning the Career and Technical Indicator Code, include enrollment in all Career and Technical Education (CTE) courses, regardless of course funding weight
0	Not Enrolled In A CTE Course
1	Enrolled In A CTE Course A student in grades 6-8 who is taking a CTE course as of the fall snapshot date or completed a CTE course by the end of the school year. A student in grades 9-12 who is taking a CTE course as of the fall snapshot date or completed a CTE course by the end of the school year, and the student's 4-year plan of study does not outline a coherent sequence of courses in CTE
	The following code is for students who on the fall snapshot date: (a) have a 4-year plan to take a coherent sequence (2 or more CTE courses for 3 or more credits) of courses in CTE, and (b) are enrolled in or have completed a semester of CTE course(s), which are part of their CTE coherent sequence of courses. If a student's 4-year plan changes, then the student could go from a code 2 or 3 to a 0 or 1 in a subsequent school year
2	Participant In A Coherent Sequence Of Courses A student in grades 9-12 who is enrolled in a sequential course of study, which develops occupational knowledge, skills, and competencies relating to a CTE program of study. The student must have a 4-year plan of study to take 2 or more CTE courses for 3 or more credits

0   Student does not participate in the Bilingual Education Program

2   Transitional Bilingual/Early Exit

A bilingual program that serves students identified as students of limited English proficiency in both English and Spanish, or another language, and transfers students to English-only instruction. It provides instruction in literacy and academic content areas through the medium of the student's first language, along with instruction in English oral and academic language development. Non-academic subjects such as art, music, and physical education may also be taught in English. Exiting to an all English program of instruction will occur not earlier than the end of first grade, or if the student enrolls in school during or after first grade, the student will remain in the program for a minimum of two to five years before being eligible to exit the bilingual program. Students that have met exit criteria in accordance with TAC §89.1225 (h)(i)(k) may continue receiving services but the school district will not be allocated the bilingual allotment - TEC §42.153. **Students who are proficient in English may also be served in this program only with appropriate parental permission, but are not eligible for Bilingual Program allotment.**

3   Transitional Bilingual/Late Exit:

a bilingual program that serves students identified as students of limited English proficiency in both English and Spanish, or another language, and transfers a student to English-only instruction; academic growth is accelerated through cognitively challenging academic work in the student's first language along with meaningful academic content taught through the student's second language, English. The goal is to promote high levels of academic achievement and full academic language proficiency in the student's first language and English. Students enrolled in the transitional bilingual/late exit program are eligible to exit the program not earlier than six or later than seven years after the students enroll in school. Students that have met exit criteria in accordance with TAC §89.1225 (h)(i)(k) may continue receiving services but the school district will not be allocated the bilingual allotment - TEC §42.153. **Students who are proficient in English may also be served in this program only with appropriate parental permission, but are not eligible for Bilingual Program allotment.**

4   Dual Language Immersion/Two-Way: -

a biliteracy program that integrates students proficient in English and students identified as students of limited English proficiency in both English and Spanish, or another language, and transfers a student identified as a student of limited English proficiency to English-only instruction; instruction is provided to both native English speakers and native speakers of another language in an instructional setting where language learning is integrated with content instruction. Academic subjects are taught to all students through both English and the other language. Program exit will occur not earlier than six or later than seven years after the student enrolls in school; students that have met exit criteria in accordance with TAC §89.1225 (h)(i)(k) may continue receiving services but the school district will not be allocated the bilingual allotment - TEC §42.153.

0	Student Does Not Participate In The English As A Second Language (ESL) Program
2	English As a Second Language/Content-Based An English program that serves students identified as students of limited English proficiency in English only by providing a full-time teacher certified under TEC §29.061(c) to provide supplementary instruction for all content area instruction. It integrates English-as-a-second-language instruction with subject matter instruction which focuses not only on learning a second language, but using that language as a medium to learn mathematics, science, social studies, or other academic subjects. Exiting to an all English program of instruction will occur not earlier than the end of first grade, or if the student enrolls in school during or after first grade, the student will remain in the program for a minimum of two to five years before being eligible to exit the ESL program. Students that have met state requirements for exit criteria in accordance with TAC §89.1225 may continue receiving services but the school district will not be allocated the bilingual allotment - TEC §42.153; At the high school the LEP student receives sheltered instruction in all content areas
3	English As A Second Language/Pull-Out An English program that serves students identified as students of limited English proficiency in English only by providing a certified teacher under TEC §29.061(c) to provide English language arts instruction exclusively, while the student remains in a mainstream instructional arrangement in the remaining content areas. Instruction may be provided by the ESL teacher in a pull-out or inclusionary delivery model. Exiting to an all English program of instruction will occur not earlier than the end of first grade, or if the student enrolls in school during or after first grade, the student will remain in the program for a minimum of two to five years before being eligible to exit the ESL program. Students that have met state requirements for exit criteria in accordance with TAC §89.1225 may continue receiving services but the school district will not be allocated the bilingual allotment - TEC §42.153

0	Student is **not homeless** at any time during current school year
1	Student lives in a **shelter**, transitional housing, or is awaiting foster care at any time during current school year **Shelters** are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, transitional housing programs, and temporary placements while awaiting foster care. The shelters category for homeless students **does not** include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.
2	Student lives temporarily **doubled-up** (sharing residence with a family or individual) at any time during current school year **Doubled-Up** (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.
3	Student is **unsheltered** (i.e, lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year **Unsheltered** is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a "fixed, regular, and adequate nighttime residence."
4	Student lives in **motel or hotel** at any time during current school year Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a "fixed, regular, and adequate nighttime residence."
