PET Reporting Changes for 2018-2019

Effective with the 2018-2019 school year, the Legacy PET data submission application will no longer be the method in which to submit your person enrollment tracking data to TEA. Beginning in the spring of 2018, enrollment tracking data will be submitted through the Unique ID application. PET will be known as the Unique ID Enrollment Tracking. Please refer to Section 9 (TSDS Unique ID) of the TEDS Data Standards for the reporting requirements.

The Legacy PET application will continue to be accessible for searching historical enrollment data or running reports on previously submitted data until the 2019-2020 school year.
