Definition
IMMIGRANT-INDICATOR-CODE indicates whether the student is an identified immigrant under the definition found under Title III of the No Child Left Behind Act of 2001 (NCLB), where the term 'immigrant children and youth' is defined as, "individuals who are aged 3 through 21; were not born in any state; and have not been attending one or more schools in any one or more states for more than 3 full academic years. The term 'State' means each of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico. (See P.L. 107-110 Title III, Part C, § 3301(6)).

Special Instructions
Immigrant status under the Title III – Language Instruction for Limited English Proficient and Immigrant Students of the No Child Left Behind Act of 2001, should not be confused with immigrant status as defined for the Department of Homeland Security (DHS). Districts should not assume responsibility for determining the extent to which students are legal or illegal immigrants under DHS regulations. Definition of immigrant should not be confused with definition used for state assessment purposes or definition used for student eligibility to English I for Speakers of Other Languages or English II for Speakers of Other Languages taught in high school.

Texas is required to use the federal definition under Title III of NCLB in order to determine immigrant student counts for funding and for coding in PEIMS.

Contact the NCLB Program Coordination Division for clarifications regarding immigrant status at 512-463-9374.

To be eligible under the federal definitions listed above, the child must have a current Certificate of Eligibility (COE) on file at the district or regional education service center completed and signed by an individual trained by the Texas Migrant Education Program (MEP). Element ID	Data Element	Date Issued	Date Updated
E1016	DISCIPLINARY-INCIDENT-NUMBER	08/02/1999	3/1/2017

XML Name	Complex Type
IncidentIdentifier	DisciplineIncident

Definition
DISCIPLINARY-INCIDENT-NUMBER designates an incident that occurs on a campus and results in one or more disciplinary actions for one or more students.

Special Instructions
If, on a single campus, more than one student is involved in an incident that results in disciplinary action(s), all of the 425 records for all the students must show the same incident number. Each district/campus must develop a system for assigning incident numbers. The same incident numbers can be used on multiple campuses, since incident numbers are required to be unique at a campus, but not for the district.

TX-ImmigrantIndicator	TX-StudentCharacteristicsType

Definition
IMMIGRANT-INDICATOR-CODE indicates whether the student is an identified immigrant under the definition found under Title III of the No Child Left Behind Act of 2001 (NCLB), where the term 'immigrant children and youth' is defined as, "individuals who are aged 3 through 21; were not born in any state; and have not been attending one or more schools in any one or more states for more than 3 full academic years. The term 'State' means each of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico. (See P.L. 107-110 Title III, Part C, § 3301(6)).

Special Instructions
Immigrant status under the Title III – Language Instruction for Limited English Proficient and Immigrant Students of the No Child Left Behind Act of 2001, should not be confused with immigrant status as defined for the Department of Homeland Security (DHS). Districts should not assume responsibility for determining the extent to which students are legal or illegal immigrants under DHS regulations. Definition of immigrant should not be confused with definition used for state assessment purposes or definition used for student eligibility to English I for Speakers of Other Languages or English II for Speakers of Other Languages taught in high school.

Texas is required to use the federal definition under Title III of NCLB in order to determine immigrant student counts for funding and for coding in PEIMS.

Contact the NCLB Program Coordination Division for clarifications regarding immigrant status at 512-463-9374.
